ECRIC Funded Faculty Research Projects Guidelines

The ECRIC strives to promote teaching and research in Humanities, Social Sciences, Languages, Literature, Life Science and Pure Science. The objective is to provide financial support to departmental/individual research in specialized areas to faculty members.

Eligibility

- The ECRIC will provide financial support to permanent teachers of Aided and Self-Supporting stream of the college.
- A working teacher can avail of only one project/ scheme of ECRIC at any given time.The next project can be accepted only after the completion of the sanctioned one.
- The Principal Investigator should publish two papers in a reputed journal in the form of the books/article/presentation in seminar etc. from the said project completed.
- The age of the Faculty member must be not be more than 55 years as on 30th May of the year of application.

- The teaching faculty of Library Science, Physical Education will also be eligible to participate in the scheme.

Nature of Assistance

The maximum assistance for one research project will be from Rs. 1 lakh to Rs. 2 lakhs. The ECRIC Minor grant will provide financial support for items like Equipment, Books and Journals, Hiring, Services, Contingency, Chemicals and Consumables, Travel and Field work.

(a) Hiring Services

This is meant for specialized technical work, such as sample analysis, for which the College either has no infrastructure or such services are available on payment basis.

(b) Contingency

The admissible contingency grant may be utilized on spares for apparatus, photo-stat copies and microfilms, typing, stationery, postage, telephone calls, internet, fax, computation and printing needed for the project. Expenditure towards the audit fee may also be claimed under contingency head.

(c)Special Needs

Assistance may be provided for any other special requirement in connection with the project which is not covered under any other 'Head' of assistance under the scheme.

(d) Chemicals and Consumables

To meet expenditure on chemicals, glassware and other consumable items.

(e) Books and Journals

Books and Journals purchased must be returned to the Department Library after the completion of the project.

(f) Equipment

Equipment purchased must be returned to the Department Library after the completion of the project. A maximum of 20% of the grant can be used for

Equipment.

(g) Travel and Field Work

The amount allocated under the head travel/field work is to be utilized for data collection and collection of other information such as documents and visit to libraries within the general scope and sphere of the ongoing project. This should not be used for attending conferences, seminars, workshops and training courses etc.

(h) Re-Appropriation

The Principal Investigator may re-appropriate maximum 20 per cent of the grant allocated under each head with the permission of Principal by intimating to the ECRIC with justifications.

Other General Information

a) TENURE AND IMPLEMENTATION
